Close Protection for High-Profile Individuals and their Families

# ABOUT US

---

In today's uncertain world, the need for discreet, professional protection has never been greater.

At Reel Tactical, we believe true security is invisible. It is not about barriers or intimidation—it is about creating an environment where you feel safe, free, and in control.

Our certified operatives, drawn from elite military and policing backgrounds, deliver tailored security for Ultra-High-Net-Worth Individuals, executives, public figures, and celebrities. We specialise in risk-assessed, 24/7 protection, ensuring safety at home, on vacation, or across international borders. Whether safeguarding clients during day-to-day routines, major public events, or global travel, Reel Tactical delivers unobtrusive, high-level security that allows our clients to live and work with confidence.

With Reel Tactical, you are not simply protected—you are assured.

---

**We provide more than protection—we deliver complete peace of mind. Every client receives a bespoke security strategy designed around their unique lifestyle and requirements.**

# CASE STUDY

## Royal Protection in London

When a distinguished Middle Eastern Royal Family visited London, they entrusted our team at Reel Tactical with the security of their entire entourage during their stay at the exclusive Peninsula Hotel.

We safeguarded 17 members of the family, working seamlessly alongside their personal detail, and provided:

- Seven elite Close Protection Officers
- A luxury convoy of Mercedes and Range Rovers
- 24/7 operational and logistical support

From private shopping at Harrods to fine dining and sightseeing, our team ensured the family's movements were secure, discreet, and effortless. Every request was anticipated, every detail handled —allowing the Royal Family to enjoy their stay with complete peace of mind.

# WHY REEL TACTICAL?
